Mr Vladislav Ardzinba
President of Abkhazia

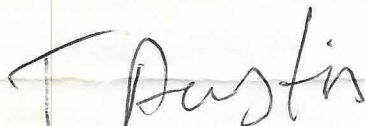

Dear Sir

I am writing to introduce Feed The Children, a British non-governmental humanitarian organisation.

Our organisation works in several countries providing assistance to children and their carers in the form of food and other aid. During a recent visit to Abkhazia we became aware of the needs of some children and we are now interested in establishing a programme in Abkhazia. In order to investigate the possibilities further we would like to register as a humanitarian organisation in Abkhazia and would be grateful for your approval to enable us to complete registration formalities.

We very much hope to be able to begin our activities in Abkhazia soon and we look forward to collaborating closely with the Abkhaz authorities, who were so helpful on our first visit, in helping to alleviate the suffering of Abkhazia's underprivileged children.

Yours faithfully

Tom Austin
Programme Co-ordinator
